BUILDING MANAGERS

A great building manager is essential for building trust, community and safety, while always meeting efficiency and budgetary requirements.

While you can always employ a qualified person, what you really want is a quality person to give the best value for your building.

OUR BUILDING MANAGER OFFERING:

- Well structured in reporting and communication
- Accountable at all times
- Well trained team members
- People who love their work
- Friendly, respectful building managers

CLEANING

Do you want a team of cleaning employees that are trustworthy, consistent, hardworking and friendly?

Our equipment and systems are geared toward your satisfaction so that you have clarity, peace of mind and excellent ongoing service.

OUR CLEANING INCLUDES:

- Focused, innovative team members
- Effective reporting
- Latest technology and techniques
- Transparent billing and deliverables

**We go Above and
Beyond Expectations**

CONCIERGE AND SECURITY

Front desk or reception is where your first impression is made. Your visitors and tenants must always be greeted with courtesy and a smile.

This is the heart of your building culture; this is where your rental and sale prices are affected; by the subtleties of easy, happy customer service.

OUR CONCIERGES ARE:

- Welcoming
- Customer Safety Focused
- Accountable
- Friendly and Innovative
- Available 24 hours a day

**Ask us how we
can help you**

SECURITY, CCTV, ACCESS CONTROL

Need a secure environment 24/7, 365 days? Our friendly trained staff are on call as required.

Our tailored security packages include design and installation of CCTV and secure access systems, Security Guard services on or offsite, front desk and building personnel.

OUR SECURITY OFFERING:

- Protection for a safe work and home life haven
- Peace of Mind to keep rents high and problems low
- High Asset Value with fast incident response and security
